Dear Colleague

We hope this email finds you well. On behalf of Aksaray University (ASÜ), Türkiye, we would like to express our interest to sign Erasmus+ bilateral agreement with the ..... that includes the department of .....

ASÜ is registered on the Erasmus Dashboard, and the International Interinstitutional Agreements (IIAs) are managed through the Erasmus Without Paper (EWP) network, enabling a streamlined process. We will be able to submit this agreement via the EWP platform.

Aksaray University is a public and multidisciplinary university based in Aksaray City, in the middle of Türkiye. ASÜ has different active bodies in fields such as undergraduates and postgraduates' studies, scientific research, entrepreneurship and cultural enhancement. Its activities are mainly centered on teaching and research, with a wide variety of high quality education delivered by its eleven Faculties: Engineering and Architecture, Medicine, Educational Sciences, Letters and Arts, Administrative Sciences and Economics, Veterinary, Sport Sciences, Communication, Tourism, Health Sciences and Theology. And three institutes: Natural and Applied Sciences, Social Sciences and Health Sciences. It is fully integrated in the Bologna process aiming to establishing a large harmonized zone of higher education in Türkiye.

ASU has all possibilities to accept incoming international students and academic staff/researchers, create equal conditions for students and teachers participate in exchange study program, coordinate and assist in implementation of various international projects (research, curriculum development, university management and improvement its activity), organize conference, seminars, workshops, contribute to improvement of relationship between partner universities; participate in exchange experiences between partners; disseminate results of partner universities in education and research among other interested parties. Aksaray University once again would like to emphasize the significance and relevance of long-term cooperation with your university and express gratitude for the consideration and accelerated decision on this issue.

Please kindly find the links for the brochure and the fact sheet.
